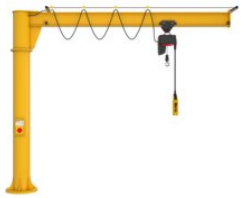
Column Mounted Jib Crane PRIMUS PR

Product information



Column mounted slewing jib crane for indoor use. The PRIMUS slewing jib crane is a compact crane with infinite slewing range. It can be used in any workplace - also in small spaces and it is suitable to handle capacities up to 1.000 kg.
Jib design: Low-profile.

Features and advantages:

- Infinite slewing by 360° thanks to power supply by slip-ring assembly
- Especially easy slewing operation thanks to sophisticated ball bearing with pivot resistance regulator as standard feature
- Small stop clearance for maximum utilisation of effective outreach
- Compact design, perfectly suited for small rooms and installation on machines
- Large effective lifting height
- Column height and jib arm length can be adjusted to your conditions
- Easy to install thanks to dowelling on concrete floor (optional)

Contact our crane department for more information.
