

Lifting table

Product information

- High quality industrial equipment, steel table, epoxy paint

- 2 fixed wheels, 2 rotating wheels with brake, lifting height up to 1618mm

Manual table: Pedal controlled lifting table, proportional lowering by joystick located at the top of the push bar.

Semi-electric table: 700W engine, lifting by 12V / 75Ah electric battery

In accordance with Directive 2006/42 / EC

Part code	Design	Capacity kg	Weight kg
9021	Manual	150	41
9021	Manual	250	78
9021	Manual	500	118
9021	Manual	750	120
9021	Manual	1,000	137
9021	Partially-electric	300	140
