Periodic General Inspection of Wire Rope Slings, Chain Slings and Textile Slings

Product information

The Labour Code requires employers to conduct periodic general inspection of wire rope, chain and textile slings. In the event of failure to comply with these controls, the employer is exposed to risks of bodily injury and property damage, financial penalties, and judicial and criminal proceedings up to 5 years in prison and a 75,000 euros fine.

At Traction Levage, we inspect and test your wire rope, chain and textile slings to increase the service life, improve efficiency and ensure user safety.

Want to have your slings checked? Then ask our teams for a quote via our website
