

## Wall Mounted Jib Crane PRAKTIKUS PW

### Product information

The wall-mounted slewing jib crane PW is our cost-effective basic slewing crane!

You can use it for simple operational tasks requiring a capacity of up to 2,000 kg. Its overbraced design and therefore lightweight jib arm enable especially easy slewing of the crane. The wall-mounted slewing crane PW perfectly meets your requirements for indoor and outdoor use since its jib arm length can be adjusted individually.

**Jib design:** Overbraced.

**Advantages:**

- Cost-effective
