Double Swivel Shackle Codipro OS DSS UP

Product information

The universal swivel offshore shackle OS.DSS is a double swivel ring. It is designed for rotations under load. Its double swivel ensures perfect alignment with the sling. The lifting ring can swivel 180° but has a rotating range of 360°. DSS offshore lifting rings have a safety factor of 4 and 5, which means that their breaking load is four or five times greater than the capacity indicated in the technical sheet.
