Storage Rack 940 for lifting accessories

Product information

Allows you to hang all your lifting accessories protected from possible damage. Can be used both indoors and outdoors. Caution: the gantry must not be used for lifting loads.

Gantry equipped with four swivel castors, 2 of them with brakes. 360° rotation. Easily movable, this gantry is always at the disposal of your employees near their workstations to hang their lifting accessories.

Characteristics :

- Load capacity for accessories:
  - on the gantry: 1000kg
  - on each bar : 500 kg
  - on each double hook: 85 kg
- Uprights and suspension bars in steel
- Distance between the 2 suspension bars can be adjusted to different heights
- Delivered in 4 pieces on a pallet with 2x6 sliding galvanized double suspension hooks to adapt the spacing between the accessories.
- Easy and quick assembly (30 min).
- Options: additional hooks (per pair) and suspension bar, other RAL.
- CE certified material.
