

## Bow Shackle SC Green Pin Super® G-5261

### Informations du produit

The Green Pin Super Bow Shackle SC is a bow shackle with screw pin.

- The screw pin enables quick (dis)assembly which makes the shackle perfect for rigging activities in which assembly and disassembly occur relatively frequently.
- Handling of the Green Pin Super Bow Shackle SC is easier due to its smaller size and weight (with an equal working load limit when compared to non-Super products).
- Furthermore, the long-term durability of the shackle is assured as a result of its galvanization.
- Wear and tear of the counter components such as wire rope is also minimized because the chamber in the shackle eye hides the screw thread.
